If you are unfamiliar with Brentwood College School, please read the following before completing this form:

Founded in 1923, Brentwood College School is a co-educational (Grades 9-12) boarding school of 430 students on Vancouver Island, British Columbia, Canada. As a boarding school, we seek students of strong moral character who possess both the ability and the desire to be part of our community. Brentwood's academic programme is exclusively university-preparatory: applicants must have the requisite skills and experience to succeed in this rigorous – albeit supportive – learning environment. In addition, students are required to participate fully in the extensive athletic and arts programmes. An ability to interact in a positive way with peers and adults is necessary.
