

POSITION POSTING

Position Title: Senior Mathematics Teacher (Full Time)*
Department: Faculty – Mathematics
Immediate Supervisor: Director of Academics / Head of Mathematics

* Ability to coach/instruct in
**these co-curricular areas is a
significant asset:**
*Field Hockey, Rowing, Soccer,
Basketball, Debate*

Nature and Scope

The successful candidate will work with a strong team of Mathematics teachers to create a positive and engaging learning environment for our students. S/he will demonstrate superior teaching ability for all offered Mathematics courses – Grade 9 to Advanced Placement Calculus (AP). Commitment to developing the whole-child by participating in our co-curricular and boarding programmes is essential. S/he will embrace contemporary teaching and learning practices, and be committed to ongoing professional growth. Furthermore, the successful candidate will carry out planning, lesson delivery, assessment and student support as well as communicate with parents, advisors, and houseparents in a timely and effective manner. S/he will be part of a dynamic campus environment where highly motivated students and dedicated staff combine to create a vital, inclusive community culture.

Teaching Responsibilities

PLANNING:

- Demonstrated ability to teach the full range of Mathematics offerings – Grade 9 to Advanced Placement Calculus (AP).
- Create dynamic and relevant lessons and learning experiences.
- As the academic year progresses, make relevant changes to instructional plans and activities.

DELIVERY:

- Assist students with comprehension and application of various learning concepts;
- Employ a variety of innovative pedagogical strategies, including the use of technology;
- Generate excitement about key concepts and areas of study;
- Maintain a safe, clean, welcoming, and positive learning environment;
- Maintain behavioural expectations in the classroom by applying consistent and fair boundaries;
- Address student questions, focusing on areas of greatest difficulty;
- Offer extra tutorial support;
- Model and assist students with understanding and application of good study habits;
- Ensure that students have appropriate academic resources;
- Behave in a respectful manner at all times with students, staff, and parents.

ASSESSMENT:

- Administer formative and summative assessments to evaluate students' progress;
- Keep accurate records of progress;
- Be prepared to re-assess for students' best interests;
- Deliver consistent feedback to students to keep them apprised of their progress;
- Inform parents/advisor/house parents of their child's progress via direct contact and the completion of written reports.

OTHER RESPONSIBILITIES:

- Participate in the co-curricular and boarding programme;
- Act as an Advisor to a selected group of students;
- Commit to all assigned school duties;
- Participate in department and school meetings, including parent meetings;

- Deal tactfully with staff, students, parents and the public;
- Perform pastoral duties, e.g. counsel students with academic problems and provide encouragement;
- Be willing to participate in school events and activities, including overnight trips with the students.

Knowledge and Skills

EDUCATION:

- Post-secondary degree;
- B.Ed or equivalent, post graduate degree an asset;
- Accredited to teach in the province of British Columbia.

EXPERIENCE/SKILLS:

- Significant experience teaching mathematics at the secondary level;
- Familiarity with Grade 9 -12 BC curriculum and AP Calculus;
- Ability to integrate technology into teaching and learning;
- Self-motivated and detail oriented, adaptable to changing priorities and procedures;
- Excellent teamwork, analytical thinking, planning, organization, and problem solving skills;
- High level of energy and patience;
- Other assets include experience as a Department Head, experience in a boarding or independent school setting, and leadership experience.

Working Conditions

- Must be legally entitled to work in Canada;
- Criminal Record Check clearance is a condition of initial and ongoing employment;
- Works well under pressure and to tight deadlines, maintains a calm and analytical mindset;
- Work environment and responsibilities of this position provide for a high degree of self-direction in setting work priorities.

Qualified applicants should forward their applications, including cover letter and résumé, to the attention of Human Resources, no later than **noon, Thursday, April 28, 2016**. Fax
